

GENERAL STATEMENT OF HEALTH AND SAFETY POLICY

Pro-Duct Clean Ltd is a professional and safety conscious organisation which values the effective management of health, safety and welfare throughout all stages of a project.

The health, safety and welfare of Pro-Duct Clean Ltd employees is of paramount importance. The clear objective is to minimise harm to persons and property by adopting a proactive approach to effective risk and safety management. All work will be carried out in accordance with best practice, to the relevant statutory provisions with all reasonably practicable measures being taken to avoid risk to employees or others that may be affected.

Management and supervisory staff have the responsibility for implementing the policy throughout the company and must ensure that health and safety considerations are always given priority in planning and day-to-day supervision of all work.

Pro-Duct Clean Ltd will fully comply with the duties placed upon it within the requirements of Statutory Legislation, whilst at all times complying with, as a matter of best practice, the requirements and duties set out within Approved Codes of Practice and Guidance as issued by the Health and Safety Executive.

Expert advice will be sought as necessary when determining health and safety risks and the measures required to guard against them.

All employees and sub-contractors are expected to co-operate and assist in the implementation of this policy, whilst ensuring that their own works, so far as is reasonably practicable, are carried out without risk to themselves, others or the environment. This includes co-operating with management on any health, safety or environment related matter.

Pro-Duct Clean Ltd will take all practical steps to ensure that potential hazards and risks are identified and that suitable and effective preventative and control measures are implemented. The correct safety equipment and personal protective equipment will be provided to all employees. Furthermore the necessary financial resources will be made available by the company in order for Pro-Duct Clean Ltd to comply with its statutory duties and requirements of this policy.

All employees will be provided with the necessary instruction and training in safe methods of work, and the safe and efficient operation and maintenance of tools and equipment.

Pro-Duct Clean recognises the importance of employer / employee consultation on matters of health and safety and the value of individual consultation relevant to specific health and safety issues and functions.

The company recognises its responsibilities for health and safety of other persons who may be affected by its activities.

The Managing Director has overall responsibility for all Health, Safety, Welfare and Environmental matters. The operation of this policy and the associated procedures will be monitored and reviewed on a regular basis to ensure that they remain current and applicable to the company's activities.
